

Creating an account on iPhone, iPad, and iPod touch

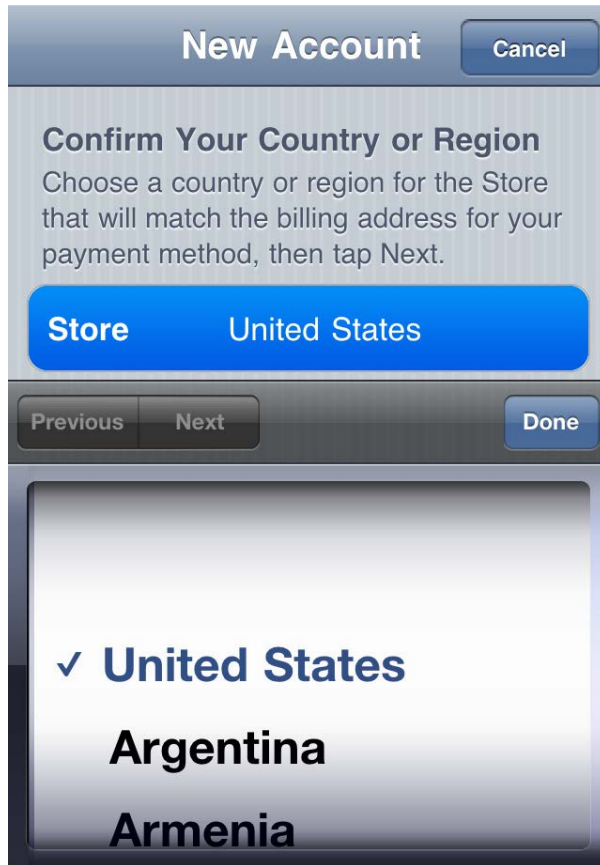

1. If you already have an account, choose **Settings** > **Store**. Tap the Apple ID displayed and choose **Sign Out**.
2. Open the App Store on your device.
3. Find a free application on the App Store.
4. **Important:** Before proceeding to the next step, you must download and install the free application by tapping **Free** followed by tapping **Install**.

5. Tap Create New Apple ID.

6. Choose your country, then tap Done.

7. You'll need to read and agree to the iTunes Store Terms & Conditions. Tap Agree located at the bottom of the page to continue.
8. Enter your email address, security question, birthday, and create your password. Tap Next.

9. Select None as your payment option.

will not be charged until you make a purchase. If you select None, you will be asked to provide a payment method when you make your first purchase.

Credit Card	None
Card Number	Required
