04212009 Weekly Technology Status Report Response

**Monroe Township School District
Weekly Technology Status Report**

School: Oak Tree Elementary
 Submitted by: Karen O'Connell
 Date of Report: Monday April 14, 2009

Please report in the space provided technology issues that have been addressed since the last meeting. Be brief but also provide enough information to clearly state the concern. Please submit this report by the next meeting.

Date Issue Reported	Description Of Issue	Priority: 1 (Low) 4 (High)	Person Responsible	Decision at Meeting
2/23/09	Need to Check Carol Pignataro's Projector. It might be the Projector. DVD player that doesn't work Kevin put it on Nick's desk	4	Nick	
2/23/09	Write Source Software needs to be loaded on laptops in Cart 5,6,7 & 8.	3	Nick	Cart 5 Complete 4/22 3 Carts to go.
4/14/09	Update on what is happening with Laptop 3 from Cart 1	4	Nick	We couldn't adjust the brightness
4/20	Connections for Cable Channels in Classrooms	2	Reggie	We understood these were ordered in March. We have received the cables and the cables were given to Nick. He should be installing them soon.
